

Obtaining a Controlled Substance/ Drug License

Listed below is the contact information you'll need if you plan to use controlled substances in your research. First contact the Connecticut Department of Consumer Protection for your Connecticut State license.

Agent Gerald DeStefano

Gerald.destefano@ct.gov

Office 1-860-713-6065

Fax 1-860-713-7242

State licenses expire every year on January 31st. Once you obtain your license from the state, you can then apply for your federal license on line.
