

RCRA Listed Chemotherapy and Pharmaceutical Wastes

Materials on this list must be managed as Hazardous Waste when they are discarded if the listed Substance is the sole active ingredient in the discarded product. Contact UConn EH&S for disposal and further information. Additional products may be regulated as Hazardous Waste. Any products containing Arsenic, Barium, Chromium, Selenium, Silver and Mercury, including Thimerosal, may also be regulated as Hazardous Waste.

<u>Substance</u>	<u>CAS No.</u>	<u>Synonyms & Brand Names (partial list)</u>	<u>HZW No.</u>
▶ Arsenic trioxide	1327-53-3	Trisenox, Arsenic Oxide	P012
Chloral*	75-87-6	Chloral Hydrate, Aquachloral, Hydral, Dormal	U034
Chlorambucil	305-03-3	Leukeran, Elcoril, Ambochlorin	U035
Chloroform	67-66-3	Trichloromethane	U044
Cyclophosphamide	50-18-0	CTX, Cytotoxan, Neosar, Procytox	U058
Daunomycin	20830-81-3	Cerubidine, Daunorubicin, DuanoXome, Liposomal, Rubidomycin	U059
Dichlorodifluoromethane	75-71-8	Freon 12, R-12	U075
Diethylstilbesterol	56-53-1	Estilben, Synthetic Estrogen	U089
▶ Diisopropylfluorophosphate (DFP)	55-91-4		P043
▶ Epinephrine	51-43-4	EpiPen, Adrenalin**	P042
Formaldehyde	50-00-0	Formalyde-10	U122
Hexachlorophene	70-30-4	Phisohex, Septisol	U132
Lindane	58-89-9		U129
Melphalan	148-82-3	Alkeran	U150
Mercury	7439-97-6		U151
Mitomycin C	50-07-7	Mutamycin	U010
▶ Nicotine, & salts	54-11-5	Habitrol, Nicoderm, Nicotrol	P075
▶ Nitroglycerin	55-63-0	Nitro-Bid, Tridil, Nitrostat	P081
Paraldehyde*	123-63-7	Paral, PCHO	U182
Phenacetin	62-44-2		U187
Phenol	108-95-2	Carbolic Acid	U188
▶ Physostigmine	57-47-6		P204
▶ Physostigmine salicylate	57-64-7		P188
Reserpine	50-55-5	Serpax, Abesta, Roxel	U200
Resorcinol	108-46-3	Resorcine	U201
Saccharin, & salts	81-07-2		U202
Selenium sulfide	7488-56-4	Dandrex, Exsel, Selson Blue	U205
Streptozotocin	18883-66-4	Zanosar, STRZ	U206
Trichloromonofluoromethane	75-69-4	Freon 11, R-11	U121
Uracil mustard	66-75-1		U237
▶ Warfarin & salts, at concentrations greater than 0.3%	81-81-2	Coumadin, Athrombin	P001
Warfarin, & salts, at concentrations of 0.3% or less	81-81-2	Coumadin, Athrombin	U248

▶ Acutely Hazardous (P-Listed) - generation limit of 1KG, empty container management program

* - Regulated as a Controlled Substance by the Drug Enforcement Administration

** - Salts may not be regulated
